

Paper 1: Native American Cross-Cultural Trade

Due date: July 13, 2012 by Midnight (50 points)

Directions: This 3-5 page paper must be typed and double-spaced with 12-point font and standard 1-inch margins. Late papers will be penalized one letter grade for each day late. Cite ALL your sources and include a bibliography that includes the texts and article(s). Email the paper via ECampus by the due date. Find at least one JSTOR article for each group you discuss.

Question: Trade was a major interaction between Native American and the incoming Europeans. Describe and compare the effects of opening these trade relationships on two Native American groups. Questions that need to be answered include:

- How was trade practiced before Europeans arrived?
- What were the goods/services within the new trade and from-to whom were they transferred?
- What were the long-term effects of cross-cultural trade on each Native American group?
